**INITIAL PRESENTATION** is the Fingertip Towel design for this month. The towel and the chart are provided to attendees. The pattern will contain 3 design variations, two geometric styles and 1 butterfly style. We stitched the geometric variations using only one color of floss and the butterfly variation using 2 colors of overdyed floss.

Arrive by 12:45 pm with your floss, a needle & your scissors. You will be able to choose your color and style of fingertip towel from the Accents inventory. Bring your choice of floss (solid or overdyed).

*Models are stitched and on display in the shop.*  
**Advance notice of attendance is appreciated.**

Fred mentioned that the Barcelona to Venice cruise next April has only a few suites left and then that cruise will be sold out. He also tells me that the relocation cruise from NOLA to Barcelona has increased slightly in cost. If you were thinking about taking this cruise, you might want to book a cabin and put down a deposit. If you are not familiar with cruising, there is a cancellation policy up until the final payment due date (usually 3 months before the cruise departs)

### YEAR END TEACHER GIFT IDEA

As we were browsing through magazines in the shop we came across this great design for a fingertip towel teacher gift. Also in the issue are several motifs that could be used for Christmas fingertip towel designs.
