I said that I would not organize another stitcher's cruise however Royal Caribbean is coming back to NOLA and Fred & I cruise Royal Caribbean often and I love their ships. So I booked a Stitching Group cruise aboard the Vision of the Seas in January 2019. We will stitch our way to Key West, Nassau and Coco Cay. There will be a stitching area available for stitchers to gather together to stitch our personal projects on sea days. On port days you can book a tour through the ship, book one independently, choose to just walk around and "chill out" or remain onboard ship to play and stitch the day away. Non-stitcher family and friends are welcome to book cabins in order to take advantage of our group rate. They will just need to register with Kolleen at AAA as part of the "Accents Away Stitcher's Cruise".

### CRUISE ITINERARY

- Jan 26 - board ship in New Orleans. Departure 4:30pm
- Jan 27 - Sea day
- Jan 28 - Key West, FL (Docked)
- Jan 29 - Nassau, Bahamas (Docked)
- Jan 30 - Beach day at Coco Cay, Bahamas (Tendered)
- Jan 31-Feb 1 - Sea days [2 full days for stitching together]
- Feb 2 - Back home. Disembarkation begins around 7:30am

### REGISTRATION INFORMATION

We have a limited number of cabins set aside for the group so the sooner you book, the better your chance of getting the type cabin you want at the group rate. We need at least 8 cabins (16 people) to register to keep the group pricing and we have a limited window of time to achieve that number. If you are interested in cruising with fellow stitchers, book with Kolleen at AAA. A \$250 deposit is required to register. Our group name at AAA is: *Accents Aweigh Stitcher's Cruise*

### THE FINE PRINT YOU WANT TO KNOW

1. When you book your reservation you must pay a cabin deposit. The cabin deposit is \$500 which is actually \$250 per person. If you are booking at a different time than your cabinmate, I'm not sure if you need to put up \$500 or only \$250. It's better if both people in the cabin book at the same time.
2. Typically most cruise deposits are refundable in full if you cancel more than 90 days **before** the cruise date
3. Travel insurance is optional but good to have. Typically it is not refundable so is not usually purchased until the final payment is made.
4. Once you register your rate is locked in. It will not increase if the cruise company increases prices.

### GROUP RATES & BENEFITS

*per person-based on 2 persons per cabin (effective through at least 11/30/2017)*

*Note: for a Private cabin the rate is slightly less than double the per person rate*
